

Oklahoma Private Investigators Association

Providing quality training to Private Investigators across the state.

Oklahoma Private Investigators Association

PRESENTS

OPIA 2017 SEMINAR

Excellent Training for All.

This seminar is open to anyone needing CLEET approved Continuing Education Credits. All are welcome! Private Investigators, Security Officers, Law Enforcement, Firefighters, Municipal Personnel or any interested professional individuals may attend. This seminar will provide valuable knowledge and information to attendees to assist them in their profession.

This is also an opportunity for attendees to network with professionals from several other disciplines. Attendees can share and benefit from each other's experiences and resources plus gain valuable CLEET training hours. The

more trained eyes on the street, the better the chance of increasing the potency of case work or detecting activities that are harmful and destructive to clients, friends, family, neighbors, and society.

This is also an opportunity for cities and towns throughout Oklahoma to acquire training for their key personnel. In particular, Certified Private Investigators and Security Officers may utilize this training and information to add value to the services which they provide.

Our seminar offers eight hours of C.L.E.E.T. approved Continuing Education Units.

Date: Saturday, Apr 15, 2016

Time: 8:00 am to 5:00 pm

**Location: Saddleback Inn and Conference Center,
